

# Become a Youth Ranger

## Join and Help Save our Mangroves

### Who?

Cycle 2 and Cycle 3 students in Abu Dhabi

### What?

Youth Rangers discover wildlife conservation and unlock career possibilities in environmental protection

### Where?

Jubail Mangrove Park

### When?

Training from 18 - 22 Dec 2023. Following this, students can volunteer at the park all year long

## What will I learn?

How to be an eco-ranger and about the mangroves ecosystem while developing:

New skills such as leadership

New friendships

Better environmental awareness

## How will I learn?

Through introduction to the many roles and responsibilities of eco-rangers for mangroves such as:

- Tour guide
- Researcher and reporter
- Visitor assistant
- Inspector and patroller
